Dear Friends

One of the great things about being a School Chaplain is that it means that I keep learning new things too. Over the last few weeks some of the children and I have been looking at Christian Symbols. The other week we were looking at Lent symbols and we discovered that one was Praying Hands. I am sure you have all seen just such a picture.

It reminds us that during the forty days in the wilderness which we remember at Lent Jesus was spending time in prayer, to prepare for His ministry. Perhaps too often we think about the temptations and forget this was a time of prayer.

Many of us give up something for Lent, with greater or lesser success. However, it might be worth considering making our Lent a time when we take more time to pray. None of us will be able to spend forty days in the wilderness (tempting though it sounds in our modern world) but we can spare a few minutes each day. Prayer comes in all forms and we certainly don't need any expertise to do it. In fact one of the most helpful ways of praying is simply to sit in silence and think about things that concern us and to remember the blessings that we are thankful for.

Throughout His busy earthly life Jesus took time out to be quiet and pray. I am convinced our society today would benefit so much if more of us followed His example.

Wishing you every blessing this Easter,

Brian

Aberlemno Treasurer's Report

Our retiring offerings from the Family service and Christmas Eve service amounted to £203.25. This sum was gratefully received by Lippen Care who have asked me to pass on their thanks.

The final accounts for 2018 are currently in the process of being audited and will thereafter be submitted to Presbytery. According to my calculations, we have managed to balance the books and ended last year with a surplus of £1,475. In today's financial climate and uncertainty, this is a great achievement!

The 'Smartie Saver' has been a tremendous success and during 2018 raised over £900 so we are to continue this throughout 2019. A perfect way to find an avenue for your loose change on returning home from Tesco/Asda (other stores are available, of course!)

It also gives a considerable 'boost' to the fund raising figure of our Church.

The fund raising events are essential in keeping our Church financially sound and I would like to thank all the helpers and our friends and families who supported the events during last year.

We are beginning our fund raising this year with our annual Coffee Morning at the Guide Hall, Forfar on Saturday 6th April. It's my favourite fund raiser and I look forward to seeing you all there.

I would like to extend my heartfelt thanks to our Minister, Rev. Brian Ramsay for his invaluable advice and guidance during 2018 in my role as Treasurer.

GUTHRIE AND RESCOBIE TREASURER'S REPORT

Our Christmas retiring collection raised £164.00 and we received a very nice thank you letter from Lippen Care.

The Christmas Concert by the Strathmore Singers in Rescobie Church raised £200.05 and was a most enjoyable afternoon.

Our thanks once again to the Guild for their generous donation of £1200.

BR

Guthrie and Rescobie Guild

Once again the Guild must thank all those who have supported us throughout the year, with the result our treasurer Maureen Broomfield gave a healthy report with £1804.01 in the Bank.

Guild members agreed to give our projects, £100 to the Boys Brigade, £150 to join up the dots, £150 for young farmers in Malawi and £1200 to Guthrie and Rescobie Church. The Congregational Board have agreed that some of this money will be used to redecorate the interior of Guthrie Church Hall.

This year the World Day of Prayer is at Letham Church on Friday 1st March at 2.00 p.m. All welcome. Also The Songs of Praise is at Letham on Thursday 23rd May at 7.30 p.m.

The Guild meets at Guthrie Church Hall on the second Tuesday of each month at 2.00.p.m. Everyone welcome.

We hope to hand out sunshine bags once again as many of you support them and they always bring good results.

Smiling is infectious
You catch it like the flu
When someone smiled at me today
I started smiling too
I walked around the corner
And someone saw me grin
When he smiled I realised
I'd passed it on to him
I thought about the smile
And then I realised its worth
A single smile like mine
Could travel round the earth
So if you feel a smile begin
Don't leave it undetected
Start an epidemic
And get the world infected.

ABERLEMNO HALL

Spring is in the air and Aberlemno Hall Committee are looking forward (hopefully) to the results of the community's hard work last year. Sacks of bulbs were planted at the church and along the road so there should be an impressive display of daffodils to come.

The Community Safety day on Saturday 16th saw a range of services on display in the hall. Arranged by the Community Council the event saw a fire engine in our car park and a wide range of people finding information of how to be safe. The Community Resilience representative from Glen Ogilvy and Eassie and Nevay Hall demonstrated how the community can use a hall as a base for a number of support services and how the community can work together to prepare for emergencies – from providing defibrillators to co-ordinating services in event of extreme weather and everything in between by developing a network of local contacts. If interested get in touch and we will pass your details on.

As we gear up to longer nights and the return of visitors to view the Stones, the Hall Committee are planning to open the Pictish Room once a month – details will be available on our website (aberlemno.org) for those who would like to look in.

We are also planning a Rail Sale (Clothes and Accessories) on the weekend of 23/24 March and a Plant sale in May – again check the website or the noticeboard at the Hall for details.

Our AGM will be held in May as usual and all are welcome to attend. If you would like to get involved and see the events you want available in the Hall, do join us and help make the Hall a centre for community activities.

Chair, Aberlemno Hall Committee
